EDITORIAL

We're not content with just bringing you the hottest girls in the world every month, we like to delve into their lives a bit as well. But does that matter to you, the reader? Do you even read that bit? Do you care what the lasses favourite colours are, or why such and such model called her cat 'Petal'? Well, we do, which is why we ask them but, let's be honest, it's also because we like hearing their voices. And we try our best to get them to say rude things. Some play ball, some leave us hanging. Good job they can't tell we're naked at our end of the call...

Dear Club,

Thought I'd just pen a letter to you guys and congratulate you on yet another smouldering issue! With such beauties as Lexi Lowe, Shae Snow and Cara Brett knocking around I wonder how you ever get anything done in the office. Flicking through 44, 12 has taken up most of my spare time that's for sure. But putting your glorious issue aside I wanted to share one of the most amazing experiences I've ever had with you and your readers.

My wife and I have been together since we were 18, and we've only ever slept with each other. We are both turning 40 this year, and as it's a bit of a landmark birthday, we decided to spend the year trying to fulfil as many fantasies as we could. We've tried dressing up, role-play, sex outdoors and lots of other things we've each fantasised about. Obviously, as we've only ever fucked each other before, at the top of both of our lists was that we wanted to try sex with another person.

We were both pretty sure that our relationship, after all this time, is strong enough to take it, but this was a bit of a risqué fantasy, and something we decided was best done together. I'm happy for Jenny for fuck another guy, but only if I'm there to see it. In fact, watching her being fucked by another man was one of the things on my list. I've always found the idea of watching my hot, sexy wife sucking another guy's dick, then letting him fuck her really hard, such a turn-on

— probably because I know she's never done it before.

We discussed the best way of making this particular fantasy into reality, and our first thought was that we could go to a swingers' club. I did a bit of research, however, and it seemed a bit full-on for us. I also didn't like the thought of her shagging any of my friends, and definitely not the guy from Jenny's work, who she was sure would be up for it. Instead, we went back to the swingers idea, and posted an advert on a website, looking for a guy who'd be up for a threesome. I put a picture of Jenny with the ad, and within a few days we had loads to choose from. I let Jenny pick the guy — well, she was going to fuck him, after all — and we arranged for him to come round the following week.

When John turned up, we were both pretty pleased. Jenny obviously fancied him from the moment he walked into the house. She had that look in her eye, and I was sure her panties would be soaking wet just imagining taking his dick in her tight pussy. And from my point of view, he seemed like a really decent bloke. We spent ages talking about football and stuff, knocking back a few beers to get into the mood.

After we'd had a few drinks, we went up to the bedroom, and we'd decided that I would sit and watch to start with. It was also Jenny's fantasy to get to fuck this guy, after all, and I was fulfilling my own little dream of getting to watch. I sat in a chair in the corner of the room and let them get down to business.

They climbed onto the bed together and quickly started to strip each other. Jenny seemed a little nervous at first — quite understandably, I guess — and was almost bashful as John peeled off her bra, releasing those big, firm boobs, with which I've had so much fun over the years. However, when he slid his hand inside her panties and started slowly rubbing his middle finger up and down the crease of her pussy, she quickly relaxed into things and simply lay back, moaning and writhing. He peeled off her knickers and I could see that her pussy was indeed totally soaking. She looked about as turned-on as I had ever seen her, and my dick was as hard as a pole just watching how much she was enjoying herself.

John moved his way down Jenny's body, kissing all over her stomach and thighs until he got to her soaking wet cunt. He licked all the way around her pussy, his tongue going

into overdrive as he nuzzled at her clit, then started poking his tongue deep into her hole, like he was fucking her cunt with his mouth. That was enough for Jenny, and she was soon begging him for his dick. He duly obliged, sliding his impressively big, rock hard cock deep into her tight cunt with one long, slow thrust. She groaned loudly, an almost pained expression flashing across her face, as only her second ever penis slid inside her. John pulled out again slowly, before slamming back into her really fast this time. She screamed out with pleasure, clearly loving it. He started to build up a rhythm, pulling out and slamming back into her, getting faster and faster till he was fucking her hard and deep.

Jenny looked over at me, beckoning me to come and join in. I've literally never removed my clothes so fast! I dashed over, and while John continued pounding into my wife, I slid my dick into her waiting mouth. She sucked and licked it, taking the whole thing deep into her throat, swirling her tongue around me in a twisting, circular motion. However, my blow-job was short-lived (although it wouldn't have lasted long anyway!) as, gasping heavily, she removed my cock from her mouth and said, "I want you both to fuck me at the same time."

This certainly was turning out to be a night for firsts!

We quickly repositioned ourselves on the

bed, me on the bottom with Jenny straddling me so I could slide my dick into her soaking, hot cunt. John then came in from behind and, after lubing her tight, puckered bumhole with her pussy juices, he pushed his dick deep into her arse. When she's really turned-on, there's nothing Jenny liked more than a good arse-fucking, and that's certainly what John seemed to have in mind! She positively yelped as he started fucking her bum, and her pussy muscles clenched hard on my dick, she was enjoying it so much.

It was hard to build up a good rhythm at first, but we were soon into the swing of things, both John and I sawing into her two holes, pounding and fucking as she cried out with pleasure. Again her pussy muscles clenched down hard, just as John started fucking her really fast, and with just a few more thrusts he came, shooting his load straight into her arse. This triggered her climax and she came hard, followed directly by me, as I gave her a second load of hot, sticky cum right up her cunt. We all then collapsed down onto the bed, a sticky, sweating, breathless mass of limbs.

It took us a good 10 minutes to recover, but the night was far from over. I let John and Jenny fuck on their own for a while so I could catch my breath, and we spent the next few hours screwing in all manner or positions and combinations. It was the most incredible night. Of course, next month we get to try out my next fantasy, and Jenny has agreed to our sharing another woman. Hopefully, it will be just as good! I'll certainly write and let you know how we get on.

Greg, Devon.

Well well, what an eventful turn of events after 22 years of monogamy! But I say good for you – it's great that your relationship is so solid that you now feel you can explore your sexuality with other people, and it sounds to me like the next phase of your marriage is going to be the best yet! Please do write in and let us all know how you get on with your next threesome!

King George IV Chase

26th December 2015

All bets are off, or on rather for the King George VI Chase, traditionally held on the 26th December. This Boxing Day feast for horse racing fanatics is classed as a Grade 1 National Hunt chase, to you and me that's a British steeplechase. So in other words not only do the poor blighters have a three-mile trek around Kempton Park at breakneck speed, but they also have to contend with all manner of obstacles, fences, ditches, other horses and the odd unseated jockey having a roll around on the turf. There are eighteen fences to jump, twelve less than the most famous

Steeplechase, The Grand National, which is also a slightly longer race, clocking in at four miles. The George VI Chase is open to horses four years and older with the oldest and first winner of the race Southern Hero coming in at a handsome 12-years-old for the pipe and slippers department. In more recent years winners have included Silviniaco Conti, Long Run, Kauto Star and Kicking King. Kauto Star remains the top seed in this race with a record-breaking five wins as does his trainer

Paul Nicholls, who has trained three winning horses since 1997, taking the Cup nine times between them. This particular event first ran in February 1937 and was named in honor of the new British monarchs assentation to the throne, but it could only be run twice before the outbreak of World War II. During the war Kempton Park was closed and used as a large prisoner-of-war camp, housing captured Germans who were dispensed out locally as agricultural laborers. The George VI Chase didn't resume until 1947 when it took up its now traditional date of the 26th December. So forward to 2015 and what equestrian antics can we look forward to? Well, Silviniaco Conti is looking set to re-join the ranks this year after two consecutive wins under his saddle it could be the year for a third. One horse that could turn the tables is Al Feroi who after minor surgery missed Cheltenham but appears to be in great form. Both Silviniaco Conti and Al Feroi incidentally are trained by Paul Nicholls, so there is a certain stabling rivalry expected between these two. However, it's Champagne Fever who's got tongues wagging. Trainer Willie Mullins has previously led the grey to win the Supreme Novices Hurdle, which is run over two miles, but it is thought that the extra stretch of the three-mile course at Kempton may suit him. With these three in mind, it may be worth a little post-Christmas flutter.

The Olympics

The Rio 2016 Qualifications

It doesn't seem 5 minutes since Britain was in the grip of the London 2012 Olympic and Paralympic games and yet here we are nearly four-years later gearing up for the next pinnacle of patriotism in sporting events Rio 2016. Britain has shown its hand, with bold medal ambitions and reportedly the elite funding body UK Sport has provided £275m for able-bodied sports in the 2013-2017 Olympic cycle. The aim being for Britain to become the first nation in recent history to bring home more medals directly after hosting the games. London 2012 left us with a tally of 65 medals, 29 of them gold and that's not even mentioning the whopping 120 medals won at the Paralympics, 34 of them gold, may I add. It's a lot of pressure to put on these young athletes shoulders, however broad they may be, but it could be achievable given how well qualifying has gone so far. The qualifications have been running since May with Great Britain throwing coal into the engine, especially in the Rowing, where The World Championships on Lake Aiguebelette, France, saw Team GB qualify boats in 12 out of the 14 Olympic events and in all four Paralympic races. The spotlight has also recently fallen on GB men's gymnastics team as they secured their Olympic slot, finishing in third

place behind Japan and China at The World Gymnastics Championships in Glasgow during October. Everybody's diamond boy Louis Smith gave a commanding display on the pommel horse scoring 15.533, putting us all to shame with his physic in more ways than one. Of course, most of the big names have qualified already. Jessica Ennis-Hill has impressed after a lengthy break, and Katarina Johnson-Thompson is also poised for the Heptathlon, so double the chance or trouble there. While Zharnel Hughes left the commentators gawping in the 200m and 100m, as his remarkable talent surfaced. Greg Rutherford, who took gold at the last Olympics last, is back to defend his title, as is Mo Farah who looks set to take up the challenge of the 5,000m and 10,000m with his usual effortless grace, must be all the Quorn he's been gobbling! Moving into the lycra-clad realms of cycling, team GB have got a heavy chain to pull as they dominated track and road during London 2012, taking nine shining medals on home turf. However, this year's World Track Championships in Paris left cycling fans bereft after failing to win a single gold medal for the first time in 14 years. With the retirement of the big household names such as Victoria Pendleton and Chris Hoy, it now falls squarely on the wheels of Laura Trott, Joanna Rowsell and Jason Kenny,

now the senior members of the team to tear up the velodrome. It's not all doom and gloom, The World Track Championships will be held in London during March, which should give them the perfect gauge for Rio, but they will have to notch it up a gear if Paris was anything to go by. Can we suggest bigger wheels next time; perhaps they could wizz round the velodrome on penny-farthing's, complete with Victorian sporting attire and fashionable mustaches.

KIM 

With her stunning face and bod, and a mouth-wateringly inviting pussy, Kimberly's clearly possessed of a fantastic combination of genes. Is there a bit of oriental in there, we wondered... "Yeah - my Mum came from Thailand originally, so I guess I owe her my sultry good looks!" Hmm, well in that case we can only hope that all the guys who've got themselves Thai brides over the years start producing daughters as stunning as you! If they do, we reckon the world will be a very happy place in generations to come! While we're on the subject of genes, I wonder how we could convince Kim that her kids might benefit from having some of ours in the mix.. ♣

Samsung Galaxy S6 Edge

A striking and sleek handset with dual curved display that stands on its own two feet in a market dominated by Apple. The Galaxy S6 Edge nestles alongside the Galaxy S6, and looking at the specs there's not much between them apart from the obvious dual curved display on the Edge S6 and a price tag difference. The micro SD card slot has gone out the window, and battery access is only for the brave with the pristine glass back that shows no sign of coming off. There are some excellent tech points such as controlling your entertainment systems, 16-megapixel camera and 5.1-inch display. This really is a premium handset of space age fiction, H.G Wells would be proud.

Is Amazon intent on world domination or is it just us? Luckily they've produced some useful things recently such as beer delivery right to your front door so we won't hold it against them if they are. So what can you expect from the latest Amazon Fire TV, well how about eye popping 4K UHD playback for all those up and coming films and TV series this winter as well as the largest choice of paid-for content for a start but is that enough to sell your soul to Amazon Prime? For this sleek little box, that would keep the even a minimalist happy, probably yes. But it's also up'd the game in the speed stakes with FireOS that helps you access content quickly, and the built-in dual-core chips really do give the box its name. The only downside is if you're not an Amazon Prime Member you're limited in what you can expect from this device.

HOLLY ♣

Believe it or not occasionally things can be a bit dull at the office, so when Holly Gibbons came in, we knew our blues would be banished smartish. The Sussex seductress did not disappoint and delighted us from beginning to end, our moods and our loads were much lighter by the time she left. When we got back to the office, we quickly dashed off a letter address to Mr. Claus about our north poles. So fingers crossed as we'd be ecstatic to find Holly wearing our stockings on Christmas morn, that's for sure.. ♣

Hark, this angel is singing to us like the fallen varity, but clearly Capri Cavani is feeling the winter chill as she warms herself and us, up by the fire. "I love being naked but sometimes you do get a little chilly. There's one way that warms me up quicker than sitting by the fire, but you can guess what that is," said Capri. Well, we can think of many things to do in front of an open fire, we could tell ghost stories, toast marshmallows, or grapple naked on a bear skin rug? TALKIN' BLUE

THE GOOD WIFE

I am such a good wife to my husband, every man should be jealous of him; and even he can't believe how lucky he is to have found a wife like me! You see I am a passionate girl, I always have been, and I am always keen to show my husband how much I do love him. From my childhood I have always loved a dare, I especially love the thought of being tested to the limit and sometimes I can't wait for him to ask me to prove my love for him with a challenge or task, sometimes I have to push him into it! When I was a girl, my father had an affair, I didn't like to think of dad cheating on my mum, and I didn't like the idea of my future husband cheating on me either. In my future relationships I decided I would do exactly what my boyfriend or my

husband wanted so that he never gets bored with me and

couldn't ever find someone sexier! When we first met, and we became boyfriend and girlfriend I loved him so much, so I did anything that he wanted; we were perfectly matched because he loved to give me sexy challenges to do. Once I walked half a mile to the shops in the wind and rain just to get him some cans of beer wearing nothing but my black plastic mac and my stilettos to turn him on. I let him photograph me naked and then let him send the pics off to readers wives magazines, and he pinned some of the photos to telegraph poles in our street. I always let him come in my mouth when he wants to do it that way, and I often shaved my pubes for him because it looks and feels better and I've even had full sex with his work mates when he asked me to – it's all been so much fun!

Now that we've been married a few years my husband has cooled off a bit, but he still likes to give me the occasional challenge. He has a friend called Andrew whose wife left him six months ago, so we invited him to come around to ours most nights of the week to watch the telly and have a few drinks to stop him from being too lonely. Anyway one night when I was in bed with my husband, and he was ramming his thick cock in and out of my fanny again and again, he leant forward and whispered in my ear, softly asking me how much I loved him?

I said that I loved him so much that I would do almost anything that he wanted. With that he seemed to chuckle to himself while still steadily and deliberately fucking me, he then asked me to prove it to him like I used to; I had to promise him that I would complete any task or dare that he wanted me to do, even before I knew what the dare was to be. I was so turned-on by his sudden enthusiasm and the smile on his lips that I wouldn't have refused him anything.

I promised to complete the test, in fact, I desperately wanted to do anything he requested, and I just hoped that it would be something rude.

The thought of a test for me to complete and the feel of his lovely big

“I had to suck on him hungrily with just the same enthusiasm as I suck on my husband's cock.”

cock powerfully ramming in and out between my legs brought me to a fantastic rippling wet orgasm that seemed to rip right through my body several times, just before he shot his sticky load deep into me.

Lying together on the bed afterwards, he told me that the trial for me to complete was that I had to go to Andrew's flat one night and have sex with him in exactly the same way as we do it. Michael told Andrew what he wanted me to do and exactly how I was to do it! I had to take the lead, getting him onto the bed and removing his trousers first, then in releasing his cock and wanking it to life before kneeling down and taking his length between my lips and into my wet mouth. I had to suck on him hungrily with just the same enthusiasm as I suck on my husband's cock, and when he was nice and hard I had to promise to lie down and let Andrew take me!

On the day, I was so excited when Michael booked the taxi for me and laid out my clothes on the bed. I felt extremely damp between my legs and was thinking about how I make love – I wanted to remember exactly how I use my fingers on his cock and exactly what I do with my lips when I suck on my

husband's cock. I wanted to get it right because afterwards Andrew might tell my husband exactly what I did to him! As I walked into Andrew's flat he came straight up to me and gave me a lovely cuddle and a kiss on the cheek, I took his hand in mine and insisted we go straight to the bedroom rather than discuss it.

I did exactly as I'd been instructed over the previous nights, first I got Andrew to relax and lie back on the bed. He helped me to ease off his trousers, and then I pulled my top over my

between my legs. I reached down and took hold of his enlarged organ, and with my fingers I guided his stiff length between my legs and deep into me. As he used his body weight to nudge his cock deeper and deeper into me, I gasped for air as I was overwhelmed with the lust that was running through my mind and my body. I was being used as a sex toy by my husband's friend at my husband's request, yet I felt hotter and far more randy being fucked by this man who was just using me rather than I normally do when my husband's fucking me it was like all my senses had come alive again.

Andrew sucked on my right breast now and gently scratched my breast with his teeth, I ran my left hand through his dark hair and pulled his head hard down on my breast, inviting him to bite me as his erect prick thrust deeper and deeper into me. Then I reached around his back with my arms, pulling his entire body weight on top of me, totally pinning me down, sandwiching my nakedness between his weight and his

mattress. I could do nothing more as the power of nature took its course and Andrew increased the speed of his thrusts and after a minute or two he gasped as his cock erupted in its orgasm, pumping wad after wad of his hot spunk deep inside my pussy... It was an experience for me to savour ever more.

Alison, Eastbourne.

head to reveal my gorgeous breasts; then like a good wife should I started massaging the growing bulge in the front of his cotton pants with the palm of my hand. Then I releasing his swelling cock from its fabric prison, I knelt down by the side of his bed and took his stiff cock into my wet mouth.

As I'd been instructed, I performed eagerly with my mouth, lips and tongue, hungrily sucking on him, willingly sucking him into my mouth and wanting to taste his come. I ran my tongue round under the edge of his cockhead, making his cock rock solid with excitement – I love the taste and feel of a man's stiff cock inside my mouth!

Andrew reached over to my bottom and tried to pull off my tartan mini skirt, so I pulled away from his cock and removed the rest of his clothes before undressing myself, lastly removing my black lace knickers and lying down on the bed naked next to him. Then I grabbed one of Andrew's hands and placed it between my legs, encouraging him to feel me and play with my clit, exactly as I'd been instructed.

I felt no shame in rolling over on to my back and opening my legs for Andrew, my only hope was that he was enjoying my company and that I was doing everything to the best of my ability in order to complete the task that I'd been given – I didn't want him complaining about my abilities to my husband!

Andrew knew what he was doing, and took some of his weight on his arms as he manoeuvred his body on top of me and

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

What I'm about to tell you is quite mind blowing, but I assure you that every word is exactly as it happened. My wife Susan was invited to a party last Saturday night, which can only be described as an x-rated Ann Summers party. She wouldn't normally attend a do like this but said she would just to make up the numbers for her friend who was hosting.

On the night of the party I took no notice of her when she went upstairs to get ready – it was only when she called me up to look at what she was planning to go out in that I got the impression she might be a little excited.

She had on an almost see-through white blouse that tied at the front, a tight black skirt, lace top stockings and black high-heeled shoes. I pointed to the bulge in my jeans, "Look what you've done already!", Unzipping my fly I popped my stiff cock out.

Susan walked round the bed, but I quickly zipped up and told her she would have to wait till she got home. She downed I don't know how many vodkas before the time came for me

to drop her off at the party, but as we drove the 15 miles to her friends house, I could see that although not pissed she was well on her way. We pulled up at the house and as always went round the back to the kitchen entrance.

I didn't go in but kissed Susan goodbye and said, "Now remember, don't be shy, join in." Then off I went.

It was only when I got home that I realised the house keys were in Susan's handbag, so I had to turn back. Just over an hour had passed since I was there last, but this time there was no answer to my soft knocking, so I crept in through the kitchen door.

As I stood in the kitchen, I could hear shouting and cheering from where I guessed the lounge to be. There was an old serving hatch with mirrored glass on one side, which provided me with a perfectly hidden view and what I saw was fantastic!

There must have been about 20 women sat around the room, all

“The hostess started rubbing Susan’s pussy with a vibrator until she was shining with wetness”

looking very attractive with one blindfolded lady in a chair at the centre of the room. One woman, clearly the party organizer was knelt on the floor with a cardboard box and a camera next to her. She was wearing red stockings, an underwear set and red high-heels. The red heeled woman threw a big fluffy dice that landed on two and then proceed to get a seven-inch black vibrator out of the box. There was a loud cheer, and the hostess took a picture of the woman on the chair. She then instructed another girl to stand the woman up and hold on to her and a second girl to remove her knickers. I could see the woman’s neatly trimmed golden pussy hair.

The hostess came forward and licked the tip of the vibrator and pushing open her legs

placed it on the blindfolded woman’s clit. The ‘victim’ took a sharp intake of breath as the hostess switch on the vibrator and inched it into her pussy hole, pushing deeper and deeper until she had swallowed the whole seven inches inside her.

Her head had fallen back, and she was breathing heavily. She sat back down and slid her bottom to the edge of the chair inviting the hostess to fuck her harder, and she did, harder, faster and deeper. The other women were shouting encouragement until there was a scream from the woman as she came. The hostess withdrew the vibrator, which you could see was slick with snatch juice. The woman grabbed her clothes and wondered off to clean herself up.

The hostess picked up the dice again and

threw; it landed on number four.

“Yes,” screamed my wife, quickly putting her hand over her mouth and going bright red. Then two girls took her to the chair where she was blindfolded. She looked so dirty as her blouse was undone and her knickers pulled off.

After the hostess had taken the photo of Susan, she rolled the dice again – a six! I watched as the hostess pull out a whopping nine-inch strap-on from the box. At this point, I had to get my cock out and start wanking. I had never seen my cock so big, fat and straining; I had to be careful not to lose my load straight away.

Susan seemed very nervous, as you might expect of a blindfolded girl not knowing what was going to happen to her. The hostess asked Susan to kneel down and rest her head on the chair with her knees wide apart. She even told her to arch her back and stick her bum in the air. Susan did as she was told, looking innocent and yet so dirty at the same time.

The hostess started rubbing Susan’s pussy with a vibrator until she was shining with wetness. She then handed the vibrator over to one of the other women and slipped into the harness and began to rub Susan’s aching pussy lips with the tip. Susan was gagging for more and started pushing back onto the dildo, spreading her legs even wider so that everybody could see straight up her soaking tunnel.

The hostess slowly pushed the giant dildo up into her and started to thrust with smooth strokes while Susan let out low moans. When her groaning grew louder, the hostess really let her have it. She sped up slamming the dildo into my wife’s cunt, to the cheers of the other women who were so turned on by the sex show they were getting.

Suddenly the hostess stopped, pulling out of Susan’s snatch she picked up the dice and rolled it again – a five! “My lucky number,” said the hostess.

She placed her hands on Susan’s hips pulling slightly to tilt her bum up as she lowered herself down in the silent room. My jaw fell open at what happened next!

The hostess began to push the tip of the dildo against Susan’s bumhole and I stood there completely speechless at the sight of my wife’s arsehole being entered by another woman. I could barely contain myself as Susan pushed back at the strap-on wanting it inside her. Finally, her muscles relaxed and

the hostess was able to feed the dildo inside her.

Once inside the hostess let rip, pumping her with the giant prick and with each thrust Susan rocked back to meet it, her groans growing louder and louder as the room filled with excitement.

I saw Susan's hand dart underneath to her excited and swollen clit. She started to rub furiously as the excitement in the room reached an inaudible pitch, and then Susan let out a loud cry, shuddering as her orgasm ripped through her.

All of a sudden I felt a hand on my arse and cock still in hand I spun round and was met by one of the women helping the hostess, I froze. She gently grabbed hold of my cock and motioned for me to follow her. We passed on into the living room where the hostess cocked her head and with a naughty smile asked Susan if she'd like another surprise. Susan asked what it was, and hostess replied, "The real thing my dear!"

"I could feel my cock throbbing as jet after jet of creamy spunk erupted out of me."

Susan moaned and wriggled her bum from side-to-side. I took that as a yes and knelt down behind her and began to finger her wet cunt. Susan rubbed my cock up and down her wet pussy lubbing it up, finally guiding it further back to the dip of her arsehole. She allowed my cock to open up her bum-hole, I pushed at the elasticated muscle until it gave way and my solid member filled her tight hole.

As I pumped her, she pulled me further in, and I started to fuck her hard and fast with all I had. She started screaming at me to fill her arsehole with hot cum and with those words it overtook me, my balls bunched and I could feel my cock throbbing as jet after jet of creamy spunk erupted out of me. I pumped her bottom-hole full with every last drop I had.

As soon as I had cum I pulled my trousers up and ran back to the kitchen to act as though I had just arrived to pick Susan up.

On the way home I asked Susan if she had been fucked by anyone. She said, "I have something to tell you," but before she could say anymore I reached down and felt her wet pussy. I pretended to be really angry with her as she confessed all, even though I was clearly turned on by her telling me every detail of the party.

Susan thinks she owes me one.

It Amy Winehouse taught us anything, it's that black is back, though more specifically, for Black is back with his sumptuous offering that has had the Club office buzzing (it stopped once we'd located the vibrators box) with excitement over the Washington wonder. We asked the 27-year-old what she'd been up to recently. "Well I've just been away shooting really hot porn

TORI ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Do that funky stuff

I'll surrender once I've stuck it up her!

One couples standoff turned into a stand up after they refused to surrender to police until they'd had sex, one last time. Ryan Bautista, 34, and Leanne Hunn, 30, allegedly barricaded themselves inside a mobile home with three other adults for six hours. Bautista and Hunn have both got several warrants out for them, including one for armed robbery. Eventually, the couple were

arrested adding resisting police and false imprisonment to their growing charge sheet. A coal ladened stocking I think is in order here.

Doggy Dodge

This is decent playmobil

Driverless cars are barking!

Man's best friend really does take the heat sometimes, as one humble pooch found out after his owner tried to pass the buck. Reliford Cooper, 26, gave chase to police after he was caught speeding and proceeded to run through a stop sign and two ditches, before eventually being brought to a standstill after crashing into a house. While Cooper was being cuffed, he told

deputies "I wasn't driving that car" And allegedly elaborated that his dog had been. We think he may have been barking up the wrong tree.

Maxi Pad Bandit

The new google 3-D glasses!

51-year-old Gary Victor stands accused of robbing an auto parts store after his disguise unraveled. Victor was caught on surveillance breaking into the store with a sanitary towel stuck to his head, stealing several battery chargers and a flashlight. Fortunately, Victor had been spotted canvassing the store earlier the same day on the internal CCTV. Once all the police

laughter had subsided the sanitary suspect was quickly apprehended and the stolen items returned to the store. The maxi pad mask has been hygienically bagged as evidence.
